## Nafplio Photo tour

Explore historical and modern, known and hidden treasures of the first capital of modern Greece.

Discover this beautiful medieval town built by Venetian empire, who gave it its current shape. Walk the magnificent cobblestone narrow streets lined with flowers, boutiques, elite shops, cafeterias, bars and tavernas. Visit the memorial at church of St.Spiridon where Ioannis Kapodistrias, hero of the Greek Independence War and the first head of modern Greece was assassinated. Continue around the port and sea at Arvanitia cliffs walking path and if you are hot, take a bath in the so called Baths – Banieres. See the 1066 stairs leading to the Palamidi, the biggest Venetian fortress located outside the Italy...
